

Notes of the Ministry Collaboration Team
August 14, 2024

Actions Taken:

Adopted Mission Statement:

The MCT (Ministry Collaboration Team) will focus on clearly and proactively communicating (in person, phone calls, emails, group drop-ins, articles or videos) the church's larger mission to deepen spiritual experience, grow beloved community and act on our values in the wider world.

Members of the MCT will advocate the larger mission of the church while facilitating regular communication with all groups affiliated with UUCV, to better serve the congregation as a whole.

The purpose of each MCT member is to act as a liaison between the church's mission and the needs, interests and concerns of groups, with the ultimate goal to strengthen relationships and community within the church.

Information to be communicated to all church groups:

1. Please be mindful about checking doors and windows before leaving and when locking up. There have been several times in the last month when the RE building has been found unsecured.
2. There is currently a fire ban, so do not use the fire pit. The fire pit has been moved out from under the trees, for safety reasons. Please treat outdoor space as you would

indoor spaces - that is, feel free to move things around (though don't light a fire under any trees!) and be sure to return those things to where you found them.
