

Short Notes
Ministry Collaboration Team
February 11th, 2026

▶▶ **Tech Support** We have decided to begin our meetings with questions about technology and helped a member figure out how to share documents on the google drive. We discussed whether or not people would find a **Google Drive 101 class** helpful for church leaders who are struggling. **Does your group have members who are interested in such a class?**

▶▶ **Approved Change for the World Procedure**
[Change For The World Recipient Form FILLABLE \(2\).pdf](#)
[C4W Protocol](#)

▶▶ **UUCV Welcome Statement** Affirmed our decision to voluntarily ask groups to read a welcome statement at the beginning of meetings: [UUCV Welcome Statement](#) and to continue to build relationships with groups that might be hesitant.

▶▶ **Decided to order Vision first, then Mission** on website, in documents, and in worship

▶▶ **Continued discussion of ways to “develop a culture of volunteering** that involves more people with a variety of skills and roles, that develops leadership and integrates people new to the congregation.”

MCT Mission Statement

—The MCT (Ministry Collaboration Team) will focus on clearly and proactively communicating (in person, phone calls, emails, group drop-ins, articles or videos) the UUCV mission to deepen spiritual experience, grow beloved community and act on our values in the wider world.

—Members of the MCT will advocate for the UUCV mission while facilitating regular communication with all groups affiliated with UUCV, to better serve the congregation as a whole.

—The purpose of each MCT member is to act as a liaison between the church's mission and the needs, interests and concerns of groups, with the ultimate goal to strengthen relationships and community within the church.

UUCV Vision (The Why): Together we cultivate a world that celebrates diversity and champions justice for all beings, grounded in the transforming power of love. - *Follow up with Kelly about nice posting of vision statement and frames*
